## NOTES:

1. Since, ours unit (the only one segment i.e. - Solvent Extraction plant ) being of seasonal nature and agro-based is subject to wild fluctuations, the above results cannot be taken in multiple of four for full year working results. Consequently provisions for tax including deferred tax would be considered at the end of the year. For this reason earning per share for the quarters is also not calculated.
2. The working results for the three months ended 30.06.2011 have been prepared following the accounting policies and notes mentioned in the Annual accounts and have been reviewed by the auditors.
3. Status of investors complaints for quarter ended 30.06 . 2011 beginning - Nil, received - Nil, disposed off - Nil , pending - Nil
4. The above working results were taken on record in the meeting of Board of Directors held on 10th August, 2011
