## NOTES:

1. Since, ours unit (the only one segment i.e. - Solvent Extraction plant ) being of seasonal nature and agro-based is subject to wild fluctuations, the above results cannot be taken in multiple of four/two for full year working results. Consequently provisions for tax including deferred tax would be considered at the end of the year. For this reason earning per share for the quarters is also not calculated.
2. Status of investors complaints for quarter ended 31.12.2009 beginning - Nil, received - Nil, disposed off - Nil, pending - Nil .
3. Previous period figures have been regrouped to make them comparable.
4. The above working results for quarter ended 31.12.09 after having reviewed by the Auditors were approved by the Board of Directors in the meeting held on 30.01.2010.

By order of the Board
